The ACGME has worked with representatives of the Addiction Medicine community to develop Milestones. The development group has also created a Supplemental Guide to enhance understanding of the Milestones. We recommend that you review the Supplemental Guide while reviewing the Milestones.

Each of the Milestones (16 total) have four questions in which we ask your level of agreement with the statement. In order to provide the final Milestones to programs as early as possible, we ask that you complete the survey **no later than Friday, August 31, 2018**.

Please click here to start your survey.

If you have questions about the Milestones, please e-mail milestones@acgme.org.

Thank you for assisting us in this important project.

Sincerely,
Laura
